LET'S WIN A STEAM MUSEUM

IN-SCHOOL FIELD TRIP!

Our school has partnered with Wacky Wild Science & over 20 other schools in South Florida to give our local foster care students a surprise for the New Year. The school with the most donations WINS a STEAM-based (Science, Technology, Engineering, Art & Math) In-School Field Trip!

Wacky Wild has over 10 years of experience inspiring students with live animals, fun experiments and innovative technology.
