THE PARENT ACADEMY

BE THE LINK TO YOUR CHILD'S SUCCESS

WELCOME!

The job of parenting is not easy. It does not come with a handbook of answers. That is why Miami-Dade County Public Schools created The Parent Academy – a source to help answer parents' questions on topics that impact their children's lives, including academic support, health care, financial management and more.

Attend free classes and workshops at more than 200 sites throughout Miami-Dade County at public schools, libraries, parks, colleges, or neighborhood centers. A schedule of courses is available in English, Spanish and Haitian-Creole.

JOIN THE PARENT ACADEMY!

Parents are teachers, role models, mentors and providers. They have the power to make their children's lives bigger, better and brighter simply by being a part of it.

Parent involvement is key to:

- ▶ Higher grades, test scores and graduation rates
- ▶ Increased motivation, better self-esteem
- ▶ Fewer instances of disruptive behavior
- ▶ Happier children
