Mother's Day

By: Jahdiel Sidney

The time to celebrate mothers is here! This year Mother's Day is on Sunday May 13th. Not sure what to get mom? No worries, ACSP has got you covered with the best Mother's Day gifts and ideas to celebrate that special lady in our lives. Flowers, chocolates, and diamonds may be nice, but there are plenty of other ways to show love without spending a dime. Nothing says I love you like a homemade card or try writing mom a heartfelt poem. Create a beautiful drawing showing her how much you care. Try doing the dishes or mowing the lawn. Breakfast in bed is always a hit! Maybe take mom to a special brunch or a beautiful day in the park. The biggest gift we can give is a huge Thank you for all that our moms do!

Bigfoot has been hiding out in the forest to protect himself and his family from HairCo, a giant corporation desperate to run scientific experiments on his special DNA. As father and son make up for lost time, they must also escape the evil grasp of HairCo. You won't want to miss this exciting father son story!

ACSP Does Earth Day!

By: Justin Sabina & Camille Hasselmann

ACSP is doing their part to celebrate Earth Day! In addition, to our growing garden and our gardening club, ACSP took on two initiatives to celebrate Earth Day. ACSP hosted a bulk pickup of gently used items to donate to the less fortunate. All grade levels gathered books, toys, clothing, and more to benefit those in need. Furthermore, ACSP participated in the Take the Trash Free Lunch challenge. Students participated by packing a lunch with no disposable items, this includes silverware, Ziploc bags, and plastic wrap. All participants received a no homework pass for their efforts to care for our planet. We must all do our part to preserve and care for our planet.

Career Day: Parents, We Need You!

By: George Gamio & Eric Obregon

Career Day has arrived at Academir! The Future needs you! ACSP asks that all parents that can volunteer to present at Career Day do so. We are so excited to learn about all the possibilities. Inspire a student with knowledge on your career! Thank you for all that you do!
