**Dear ACSP Families:**

**Books can take your imagination to faraway places, on fantastic adventures, or back in time. You can learn about new things, meet new characters, and experience other cultures when you read. Reading can be relaxing, fun and rewarding - we know that people become better readers by reading!**

**This summer, we want you to take some time to *READ*. You can either enjoy the book on your own or read it with a grown-up. Our Grade Level Reading List can be found below. After you read your book, *complete the summer reading activity that has been assigned to your grade level*. Please bring your finished project in during the first week of school and give it to your teacher. It will be shared and displayed in class!**

**If you have any questions, please call our school office (305) 964-7542. Have a wonderful summer!**
