2016-2017

- . Parents are to ensure that their child arrives on time. Students must be in their seats by the start of class as published in the Student Handbook. Any student arriving after this time will be issued a tardy slip. Students accumulating ten (10) unexcused tardies per school year will receive a referral for excessive tardiness.
- . Parents are to contact the school office if their son/daughter (the students) is going to be absent. On the day the student returns to school, he/she must bring a note from the parent (s) using the Absent Notification Form on the school's website explaining the reason for the absence, otherwise, the absence will be considered unexcused.
- . The School believes that parents play an integral role in their child's educational and social life. For this reason, the school asks that a parent/guardian personally transport their child to and from school. Carpooling is permitted, as it too, positively contributes to the child's socio-educational life. If due to a verified hardship, a parent is unable to meet this requirement, the school will provide transportation according to the school's transportation plan. The school will reimburse parents for parent-provided transportation if the student is legally entitled to transportation.
- . Parents are to ensure that their child is wearing the proper attire as stated in the Student Handbook. Students who arrive at school without the proper attire will be disciplined, as stated in the Code of Student Handbook. Hoodies are not permitted at any time, unless provided by the school.
- . Student may bring their lunch from home or purchase a lunch from the school. Qualifying students may receive free or reduced lunch per National School Lunch provisions. It is the parent's responsibility to notify the school of any allergies that can be life threatening.
- . A student's parent/guardian must agree to volunteer a minimum of ten (10) hours per school year. All volunteer hours must be completed prior to the end of the school year.

- . I will ensure that my child takes care of the technology provided in school such as IPADs, computers and other educational tools by reviewing the technology use guidelines.
- . Parents agree to read and use the information sent home from the school so that they are informed of activities and academic opportunities provided by the school. Parents understand that they must review the agenda daily in order to ensure open communication with the school/teachers. In addition to signing up to academic and behavioral systems used by the school to enhance the learning experience of my child.
- . I understand that my child is a student with Miami-Dade School System which requires the provision of a Student Handbook. Parents and students are required to read the Student Handbook. The Code of Student Conduct details the responsibilities that staff members, students, and parents are expected to fulfill.

We understand that AcadeMir Charter School Prep has adopted, and will abide by the Miami-Dade County Public Schools Code of Student Conduct. Further, it is the expectation of AcadeMir Charter School Prep that parents fully abide with the terms of the Parent Contract which has been approved by the AcadeMir Charter School Prep, Inc.
